

## 2010 CORPORATE SPONSORSHIP REQUEST

The Volunteer Ranch Horse Association is a charter member of the American Ranch Horse Association. We are a group of dedicated horsemen from the Tennessee and surrounding areas, who get together to show, ride, learn, and have fun on our ranch-type horses. We will be sponsoring seven ARHA-sanctioned shows this year and welcome all owners of ranch-type horses. The American Ranch Horse Association is the fastest growing equine association in the United States. The VolRHA is a dedicated group of horsemen and women who value the true western tradition. We offer a wide range of classes at our shows from conformation to working cowhorse. We are looking for financial partnerships to help us promote our club. In return for your partnership, we can offer varied levels of advertising for your business or organization.
